

FLIGHT SCHOOL 101 JUNIOR EXPERIENCE

Classic Flyers offers a Flight School experience for **Primary Students (Year 3 - 6)** that supports the New Zealand STEM (Science, Technology, Engineering and Maths) learning approach. The Flight School 101 Experience consists of a classroom style setup in a Hangar surrounded by real aircraft used to illustrate and demonstrate the following subjects:

- The Theory of Flight – how airplanes fly
- Watch supporting video about flight
- Design your own special airplane
- Airport Fire Rescue Truck Demonstration
- Sit inside DC3 aircraft experience
- Explore inside Catalina / B-17
- Explore museum with information treasure hunt quiz

The Flight School 101 class is complimented by a tour of the Museum where students identify the different aircraft types, wing styles and engines discussed in the class. Students will be able to get inside and interact directly with many exhibits to enhance the learning experience. Students will take part in a “fantasy flight” in a real flying passenger aircraft (DC3).

Sample Agenda:

9.30am Arrival at Classic Flyers, welcome & safety talk
9.40am Flight School 101 Lecture and Plane Design Activity
10.15am Morning Tea
10.30am Airport Fire Rescue Truck Demo
11.00am DC3 Fantasy Flight and Catalina Activities
12.00pm Phonetic Alphabet and Activities in the Hangar
12.30pm Lunch or Return to school

Payment: \$8 per student (teachers or support adults free of charge)

Payment can be invoiced by prior arrangement.

We provide Flight School 101 Study Guides and a museum quiz to your students to take back to the school classroom to help reinforce the learnings of the day.

A Risk Analysis Management Document can be provided to assist with planning your visit

Morning Tea is hosted in Torpedo Park playground (weather permitting).
