

PRESENTER

Paul David QC, Barrister, Auckland

Paul is a barrister working primarily in commercial litigation. He has specialist interest in maritime and trade law where the interpretation of contracts and the application of the principles of contract law are central to the work. Paul presented the 2013 NZLS CLE Update on Contract seminar.

The statements and conclusions contained in this booklet are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.

Cover and text stocks used in this publication are from Forestry Stewardship Council certified mills, manufactured under the environmentally responsible paper manufactured environmental management system ISO 14001, using pulp from well managed forests and other controlled sources.
