PRESENTERS

Professor Kate Diesfeld, Auckland University of Technology, Auckland

Kate is a member of the State Bar of California. She represented people with disabilities in Los Angeles and in England. Kate supervised the Kent Law Clinic (Mental Health and Learning Disability) in England. She was the Director of the National Centre of Health Law and Ethics at AUT and the Associate Dean of Research at the University of Waikato's Faculty of Law. She co-edited Involuntary Detention and Therapeutic Jurisprudence (2003) and Elder Law in New Zealand (2013). She Chairs AUT's Ethics Committee and is a member of Waikato DHB's Clinical Ethics Advisory Committee.

Dr Mark Fisher, Counties Manukau Health, South Auckland

Dr Mark Fisher is currently Clinical Head and Consultant Psychiatrist in Mental Health Services for Older People in Counties Manukau Health, South Auckland. He is also the Director of Area Mental Health Services (DAMHS) for Counties Manukau under the Mental Health Act. Dr Fisher has been a practising psychiatrist for 20 years, and has worked in Old Age Psychiatry, Liaison Psychiatry and ECT services. He has spent many years in leadership roles within Mental Health. He has worked primarily in New Zealand but also in the United Kingdom. His research interests are in dementia services, Mental Health law and Driving and Dementia. He has been keenly involved in the setting up of new dementia services in South Auckland.

Assisted by: Robb Newberry, Barrister, Wellington

Robb has specialised in family and disability law since 1987. His present work has an emphasis on relationship property disputes, disputes concerning children, and mental health law. Robb commenced as a barrister sole in 1999, after 12 years' as a litigation partner in a Wellington law firm. He is presently a Deputy Lawyer member of the Mental Health Review Tribunal, and prior to this statutory role was a District Inspector since the commencement of the current Mental Health Act.
