

PRESENTERS

Mark Campbell, Russell McVeagh, Wellington

Mark is a consultant in Russell McVeagh's litigation and corporate advisory teams. Mark's areas of specialty include health and safety, ICT disputes and privacy issues. He regularly advises and acts for public and private sector clients in commercial contractual disputes, including in relation to ICT projects, commercial leases, and sale of goods.

Dominic Rowe, Russell McVeagh, Wellington

Dominic has a broad commercial practice specialising in mergers and acquisitions, procurement and outsourcing, and also advises on financial regulation. He has experience advising clients across a range of industries, including electricity, oil and gas, banking and financial services, information technology, telecommunications, transport, media and advertising, as well as advising public sector clients. Dominic's recent experience includes advising on construction and development contracts, major New Zealand Government procurements, corporate transactions and restructuring projects, and negotiating, drafting and advising on various commercial arrangements.

The statements and conclusions contained in this booklet are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.

Cover and text stocks used in this publication are from Forestry Stewardship Council certified mills, manufactured under the environmentally responsible paper manufactured environmental management system ISO 14001, using pulp from well managed forests and other controlled sources.

CONTENTS
