

SPEAKERS

Lauchie Griffin, Wakefields Lawyers Ltd, Wellington & Kapiti

Lauchie is a property, commercial and trusts & succession specialist with over 30 years' legal practice experience. He is the founder of Wakefields Lawyers – a technology-driven legal firm. Its core practice areas are: corporate & commercial; finance; property; technology; and trusts & succession.

Nick Kearney, Schnauer and Co, Auckland

Nick is a director of the firm and has been in practice since 2000, specialising in property and commercial law. He has tutored at Auckland University, published in the *New Zealand Law Journal* and the *Auckland University Law Journal*, and is currently, a contributing writer to *Butterworths Conveyancing Bulletin*. He holds a Masters degree in law from Auckland University.

Michelle Moore, Anthony Harper, Christchurch

Michelle has knowledge and expertise in trust and asset protection planning and has a background in property related transactions. She specialises in the protection of assets, establishment and administration of trusts, division of assets and trust restructuring, preparation of property agreements for related and unrelated parties, estate planning and wills, as well as personal care and welfare matters. Michelle is a member of the Auckland District Law Society Documents and Precedents Committee and the newly formed Trust Committee.

Duncan Terris, Terris Legal, Tauranga

Duncan has practised in a wide variety of property work for almost 30 years. He founded his own firm 20 years ago after practising for several years in Sydney. Duncan was involved in the development of e-dealing and continues as NZLS e-dealing consultant. He has served on the NZLS Property Law Section Executive for more than 10 years and is the current Chair. He is a regular presenter for CLE and has enjoyed presenting this course for more than 10 years.

Cover and text stocks used in this publication are from Forestry Stewardship Council certified mills, manufactured under the environmentally responsible paper manufactured environmental management system ISO 14001, using pulp from well managed forests and other controlled sources.

The statements and conclusions contained in this booklet are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.
