

## PRESENTERS

### **Chris Curran, Russell McVeagh, Wellington**

Chris has worked on high profile class action litigation, including representing Credit Suisse in the protracted *Feltex* proceedings. Those proceedings have involved arguments about key aspects of New Zealand's class action legal framework through all levels of the New Zealand court system. As a trusted advisor in this area, he is often requested to author publications on the topic, including the New Zealand chapter of *The International Comparative Legal Guide to Class and Group Actions*, which he has co-authored since 2015.

### **Kirsten Massey, Partner, Russell McVeagh, Wellington**

Kirsten joined Russell McVeagh in February 2020 after 15 years at Herbert Smith Freehills in London. During her time in the United Kingdom, Kirsten developed extensive experience in the class action field, including advising Chevron on a £1 billion class action and representing Royal Bank of Scotland in its £4 billion shareholder class action, following the bank's near collapse and government bailout. She also co-authored the leading United Kingdom text *Class Actions in England and Wales* (Sweet and Maxwell).
