

PRESENTERS

Leslie Prescott-Haar, TP EQUilibrium | AustralAsia LP, Whitianga

Leslie is a managing director of TP EQUilibrium | AustralAsia LP (formerly, Ceteris New Zealand LP), a Duff & Phelps Transfer Pricing Alliance Partner. Leslie provides transfer pricing services for multi-nationals based primarily in Australia and New Zealand. She has over 24 years of specialised transfer pricing experience based in this region and an additional 10 years of corporate taxation experience in Big 4 practices specialising in mergers, acquisitions, and reorganisations based in the United States (New York City and Chicago). TP EQUilibrium has been ranked in World Transfer Pricing as a Tier 1 firm in New Zealand and as a Tier 2 firm in Australia from 2015 through 2020. Prior to forming TP EQUilibrium, Leslie commenced the market-leading transfer pricing practice of Ernst & Young New Zealand, where she served as the National Leader.

Bridget Riley, Anthony Harper, Auckland

Bridget is a senior tax lawyer with over 24 years of tax experience in New Zealand. She advises clients on a wide range of domestic and international tax-related issues. Bridget worked as a senior tax advisor at Ernst & Young, BDO and PwC prior to joining Anthony Harper.

The statements and conclusions contained in this booklet are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.

The material in this paper is provided only as a training and information resource. The material is a generalised summary of key issues relevant to the various topics covered, based on tax laws, rules and case precedents in place as at October 2020. It is not intended as a substitute for specific professional advice and should not be relied on for such a purpose. Independent professional advice should be obtained before relying on any aspect of this material.

This document is protected under the copyright laws of New Zealand and other countries as an unpublished work.
