

PRESENTERS

Michael Taylor, Partner, Russell McVeagh, Auckland

Michael practises in commercial litigation with a particular focus on construction disputes. He leads a specialist team, often working with the firm's market-leading front end construction specialists where needed.

Michael practised as a barrister at the London Commercial Bar for over 15 years at a leading construction and IT chambers, before joining Russell McVeagh. He is a committee member of New Zealand's Society of Construction Law.

John Walton, Commercial Barrister, Arbitrator, and Mediator, Bankside Chambers, Auckland

John is a construction law specialist, practising primarily as an arbitrator, adjudicator and commercial mediator out of Bankside Chambers in Auckland and Singapore. His background is in major infrastructure projects, both in New Zealand and internationally. John is a member of the Society of Construction Arbitrators (UK), a Fellow of CIArb (London), a Fellow and former president of Arbitrators' and Mediators' Institute of New Zealand, and Honorary Life Member of the Society of Construction Law (NZ).

The statements and conclusions contained in this presentation are those of the author(s) only and not those of the New Zealand Law Society. This presentation has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.
