

PRESENTER

Lloyd Gallagher, Gallagher & Co Consultants, Hamilton

Lloyd is actively involved around the world in Alternative Dispute Resolution where he acts as Arbitrator and Mediator. With a strong IT background, he works with law practitioners' and policy makers to develop solutions that focus on access to justice and technology security.

The statements and conclusions contained in this paper are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.
