

PRESENTER

Gareth Abdinor, Malley & Co, Christchurch

Gareth is a specialist employment, privacy and technology lawyer, and is a partner at Malley & Co. He has a particular interest in the legal and practical implications of new and emerging technologies and provides advice on social media and technology, claims for interference with privacy, cyber-security and cyber-bullying. Gareth also provides privacy training and has delivered training on behalf of the Office of the Privacy Commissioner. He is a member of the NZLS Canterbury-Westland Branch Employment Committee.
