

PRESENTERS

Mike Flahive, Simply Privacy Ltd, Wellington

Mike has an LLB(Hons) and was an Assistant Privacy Commissioner at the New Zealand Office of the Privacy Commissioner for nine years until December 2014. He has worked in private law practice and as an in-house corporate counsel. Mike has significant private and public sector work experience as an operations and change manager. He has substantial investigations experience in both civil and criminal contexts. Mike currently provides consultancy and contract services in risk and security, information management and privacy, and governance.

Daimhin Warner, Simply Privacy Ltd, Auckland

Daimhin is Auckland Director for Simply Privacy Ltd, a privacy consultancy which works with agencies to improve privacy practice, giving advice on privacy strategies, training programmes and individual issues or cases. Until December 2015, he was Privacy Officer for Sovereign Assurance, managing the company's Resolution and Privacy team and providing operational advice and strategic guidance to the company in respect of the management of customer information, including medical information. Prior to this, Daimhin worked for the Office of the NZ Privacy Commissioner for eight years, most recently leading the Commissioner's Auckland Investigations team. He is also on the NZ Subcommittee for the International Association of Privacy Professionals ANZ, working to support and grow the privacy profession in NZ. Daimhin has an LLB from Edinburgh University and LLM in Public Law from the University of Auckland, and has been living and working in NZ for 13 years.

The statements and conclusions contained in this paper are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.
