

## PRESENTER

### **Martin Cocker, NetSafe, Auckland**

Martin joined NetSafe as the Executive Director in March 2006 and is now a respected leader and speaker on all aspects of online safety. Before NetSafe he worked in the ICT industry for 12 years. Whether or not you consider him a technology nerd will depend on your own level of technology knowledge. To his mum he's practically Bill Gates. To Bill Gates, he's practically his mum
