

PRESENTER

Bronwyn Carruthers, Russell McVeagh, Auckland

Bronwyn is a Partner in the Environment, Planning & Natural Resources team at Russell McVeagh. She regularly appears before the Environment Court and also has substantial experience in the High Court, particularly in judicial review proceedings some of which have gone on to the Court of Appeal and Supreme Court. She has been practicing in Auckland for over 15 years, advising clients in all aspects of resource management and environmental law as well as local government law.

The statements and conclusions contained in this paper are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.
