

## PRESENTERS

### **Rohini Ram, EY, Auckland**

Rohini is EY's Human Capital Practice Leader and has over 20 years' experience working with multinational companies in all aspects of corporate, personal and expatriate tax. Rohini's expertise includes international tax issues, employment tax matters, tax planning for high net worth individuals and managing IRD investigations. She specialises in assignment compensation and benefits structuring; tax effective planning for international assignments; global mobility process improvement; international tax treaty consulting; and the design and implementation of share schemes including NZ tax exempt schemes.

### **Jarrod Walker, Bell Gully, Auckland**

Jarrod is a partner in Bell Gully's tax team. He has a general income tax practice. He often advises offshore parties on the tax implications of investments in New Zealand and New Zealand foreign trust structures, and returning New Zealanders and new migrants on tax implications of moving to New Zealand.
