

PRESENTER

His Hon Judge David Harvey, Auckland District Court

Judge Harvey was appointed a District Court Judge in 1989. He has been closely involved with Information Technology initiatives involving the Judiciary including the development of trial management software.

In addition to his Judicial duties, Judge Harvey is consultant editor for Butterworths Electronic Business and Technology Law and a member of the Editorial Board for Butterworths Technology Law Forum. He is a part-time lecturer at the Faculty of Law, University of Auckland, teaching Law and Information Technology. Judge Harvey has written extensively in the field of law and technology and has presented a number of papers to conferences both in New Zealand and overseas on related topics. He was Chair of the Copyright Tribunal (2002 – 2008) and has had published a book on the law and networked systems entitled *internet.law.nz - Selected Issues*, now in its third edition. Judge Harvey is currently working on a new book about legal paradoxes in the digital paradigm.
