

PRESENTER

Rod Thomas, Auckland University of Technology, Auckland

Rod is an Associate Professor at AUT Law School. He is also a Senior Research Fellow of the Cambridge Centre for Property Law, University of Cambridge and a long-standing member of the Australian College of Community Association Lawyers. Rod teaches in the area of high density law at an undergraduate and postgraduate level. Over a 20 to 30 year period he has presented and published on issues dealing with high-density law and related property areas.

The statements and conclusions contained in this paper are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.
