

PRESENTERS

Marie Harrison, Simpson Grierson, Auckland

Marie is a senior associate in Simpson Grierson's commercial litigation group. She specialises in dispute resolution with a particular focus on construction litigation. Marie regularly acts for contractors, principals and local authorities in leaky building claims and other construction disputes in the District Court, High Court and Weathertight Homes Tribunal. Her experience includes acting for defendants in complex proceedings involving multi-unit developments, and she has particular expertise in resolving disputes via mediation.

Trina Lincoln, Barrister, Auckland

Trina is the National Commercial, Legal and Risk Manager for Hawkins Construction. Prior to going "in house" Trina was a Partner at Anthony Harper and headed the Construction Team working between Auckland and Christchurch. She has been a specialist construction lawyer for nearly 20 years both with large NZ law firms and internationally and has advised all participants in the industry including developers, contractors, subcontractors and consultants. Trina was a founding member of the NZ Society of Construction Law, is an associate member of AMINZ and involved with several industry bodies including National Association of Women in Construction and PreFab NZ.

The statements and conclusions contained in this booklet are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.

Cover and text stocks used in this publication are from Forestry Stewardship Council certified mills, manufactured under the environmentally responsible paper manufactured environmental management system ISO 14001, using pulp from well managed forests and other controlled sources.

CONTENTS
