

PRESENTERS

Miriam Dean QC, Auckland

Miriam has served on a number of local and national law society bodies, and has long involvement in the NZ Bar Association, serving as its President from 2010-2012. In addition to her legal practice she is the independent chair and/or director of a range of (mostly) government bodies.

Antony Mahon, Barrister, Auckland

Antony has specialised in all aspects of family law for 25 years and has presented many times for NZLS CLE. He is a past executive member of the Family Law Section (2006-2012) – the last two years as its chair. In 2012 Antony was elected to the Auckland Branch Council, a position he still holds.

Noel Sainsbury, Barrister, Wellington

Noel Sainsbury is a Wellington barrister specialising in criminal litigation and tribunal work. He is a member of the Wellington Crown Panel and of the NZLS Criminal Law Committee and a regular faculty member of the Litigation Skills programme. He is a Vice-President of the NZ Criminal Bar Association.

Dr Duncan Webb, Lane Neave, Christchurch

Duncan is the author of numerous articles, books and conference presentations on a wide subject range including insurance and liability, professional responsibility and ethics, commercial and contract law. Between 2008 and 2010 he was the Legal Complaints Review Officer and is now a partner at Lane Neave specialising in professional liability and discipline.

The statements and conclusions contained in this booklet are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.

Cover and text stocks used in this publication are from Forestry Stewardship Council certified mills, manufactured under the environmentally responsible paper manufactured environmental management system ISO 14001, using pulp from well managed forests and other controlled sources.
