

## CHAIR

### **John Greenwood, Greenwood Roche, Wellington**

John is Editor of the New Zealand Property Lawyer and moderator for the New Zealand Council of Legal Education for property law and equity and succession law University papers. He has a long involvement in property law reform and has presented at Select Committee hearings and at numerous NZLS CLE Ltd seminars. John is a strong advocate for change to our standard sale and lease documentation.

## SPEAKERS

### **Dr Anthony Duncan, CCDHB, Wellington**

Anthony has worked in the psychiatry of old age for over 30 years. He is a Fellow of the Royal Australian and New Zealand Psychiatrist and a member of the Faculties of Forensic Psychiatry and the Psychiatry of Old Age. Anthony holds an appointment as visiting psychogeriatrician at Wairarapa District Health Board.

### **Jackie Frampton, Parker & Associates, Wellington**

Jackie is an Associate at Parker & Associates, a specialist civil litigation practice in Wellington. She was admitted in 2008 and practices in the area of civil and commercial litigation and dispute resolution. Jackie has extensive experience in claims for building defects and damage. She also has experience in litigation arising from earthquake damage and earthquake prone buildings.

### **Richard Gibson, Impac Services Ltd, Wellington**

Richard is one of the original founders of Impac, New Zealand's leading provider of safety consulting and training solutions and is recognised as one of NZ's leading experts in safety solutions (with a very pragmatic risk based approach). He works with many of NZ's largest organisations and has extensive experience on how to safely manage contractors and working with other PCBU's. Richard provides many insights into the effectiveness of common safety processes and the areas you need to examine in depth if you wish to avoid serious accidents and meet the new legislative requirements.

## SPEAKERS

### **Annette Gray, Buchanan Gray, Wellington**

Annette is a Family Court practitioner with 25 years' experience. She has a broad Family Court experience in all aspects of family law but has a particular interest in rights based law. Annette has been counsel for subject person for many years and is currently a District Inspector of Mental Health. She has an interest in inter-country adoptions and is also lawyer for child and acts for parties in family court matters. Annette spent a year doing volunteer service abroad acting as legal counsel for the Family Support Centre, an NGO, providing education and legal support mainly to women in domestic violence and child custody cases.

### **Chris Holland, Buddle Findlay, Wellington**

Chris specialises in financial regulation, corporate and commercial law, capital markets and securities, and funds management. He has extensive experience in advising on financial services legislation, with particular interests in the transitional process for the move to full implementation of the Financial Markets Conduct Act, and recent changes to the Credit Contracts and Consumer Finance Act. In addition to this transactional and advisory work Chris has also acted for a number of industry groups in making regulatory submissions, and is a frequent speaker at client and industry events.

### **Dan Parker, Parker & Associates, Wellington**

Dan is a Partner of Parker & Associates, a specialist civil litigation practice he founded in early 2001. Before that Dan was a partner in a national law firm. Admitted in 1991, Dan has extensive litigation experience. Parker & Associates specialise in insurance, construction and commercial litigation and handle a range of complex civil disputes. Dan is an experienced advocate and a regular participant in mediations. Parker & Associates have been at the forefront of leaky building litigation since 2001. Dan and his team act for the plaintiffs in the James Hardie Cladding Action, a large class action brought by the owners of defective buildings clad with certain James Hardie cladding systems.

### **Tom Reeves, Impac, Auckland**

Tom Reeves joined Impac Services as a founding director in 1999. He has had 19 years practicing Health & Safety in a wide range of industries including oil and gas exploration and production, underground and surface mining, electricity, forestry, dairy, pulp and paper, construction, infrastructure, heavy and light industrial manufacturing, and food manufacturing to name a few.

## **SPEAKERS**

### **Tim Truebridge, Truebridge Partners, Wellington**

Tim's valuation expertise spans 27 years, and he is a preferred "list" valuer of the major trading banks in the area of urban land development in the Wellington region and has a strong interest in the maintenance of "best valuation practice" particularly in challenging financial environments. His specialist areas include high end residential, development land – both urban and rural, leaky buildings, compensation for public works for Crown and the Claimant, professional indemnity claims and an expert witness in mediation, arbitration and High Court proceedings.

### **Jack Wass, Stout Street Chambers, Wellington**

Jack practises civil litigation with an emphasis on commercial disputes, arbitration, and private and public international law. He has appeared before the Courts at all levels, including the Supreme Court.

### **Amy Webster, Dyhrberg Drayton, Wellington**

Amy advises both employee and employer clients on a wide range of employment law matters including personal grievances, privacy and official information requests, performance management, disciplinary and restructuring processes, transfer of functions between government departments, and reviewing and drafting employment agreements and policies. She also has experience representing clients at mediation, in the Employment Relations Authority and the Employment Court.
