

## PRESENTERS

### **Jonathan Scragg, Partner, Duncan Cotterill, Wellington**

Jonathan is an experienced advocate and adviser in commercial, insurance and public sector disputes. He has appeared as counsel in the High Court, Court of Appeal, and the Supreme Court, as well as in various specialist Tribunals and mediations. Prior to Duncan Cotterill, Jonathan worked in London with a leading international law firm specialising in insurance law and professional liability claims. Jonathan has also worked as a High Court judges' clerk and won the Cleary Memorial Prize in 2005. He is the president of the New Zealand Insurance Law Association Inc. Jonathan regularly writes for various legal publications, and speaks at industry conferences, on legal issues including dispute resolution, insurance, charity and trust law.

### **Aaron Sherriff, Partner, Duncan Cotterill, Wellington**

Aaron specialises in complex commercial disputes and insurance law. He has extensive experience acting for liability and property insurers in both New Zealand and Canada, advising on coverage issues and defending insured claims, including claims involving damage to commercial or residential property caused by natural disasters such as earthquakes and landslips. Aaron's insurance experience also includes claims under professional liability, public liability, bailees liability, directors and officers, and course of construction ("all risks") policies, and coverage advice on statutory liability policies regarding prosecutions. He writes regularly on insurance issues, and chaired the annual ANZIIF Liability Conference in Auckland in May 2016. Aaron is a member of the New Zealand Insurance Law Association Inc and the Society of Construction Law New Zealand.

*The statements and conclusions contained in this booklet are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.*

Cover and text stocks used in this publication are from Forestry Stewardship Council certified mills, manufactured under the environmentally responsible paper manufactured environmental management system ISO 14001, using pulp from well managed forests and other controlled sources.

# CONTENTS
