

PRESENTERS

Sarah Owen, General Counsel and General Manager Corporate Strategy, New Zealand Superannuation Fund, Auckland

Sarah has over the last 25 years practised in corporate/commercial, financial services and public law in private practice and in-house. She holds a BA from Otago University and LLB and Diploma of Accounting from Victoria University. Sarah is General Counsel and General Manager Corporate Strategy of the Guardians of New Zealand Superannuation, the crown entity that manages the New Zealand Superannuation Fund. She is a member of the Leadership Team and Risk Committee of the Guardians. Sarah is also a director of the International Centre for Pension Management, Toronto and Datacom Group Limited.

Dr Andrea Vujnovich, Assistant Vice-Chancellor Corporate and General Counsel, Auckland University of Technology, Auckland

Andrea serves as the Assistant Vice-Chancellor Corporate and as the General Counsel of Auckland University of Technology, providing advice to the Vice Chancellor, the Strategic Leadership Team, and the University faculties and administrative divisions. In addition, she has oversight of the Office of People and Organisation, Advancement, Risk and Compliance, Policy, Health and Safety and Diversity and participates in university-wide policy development and decision making as part of the Strategic Leadership Team. Before joining the University, Andrea was a solicitor in a large national law practice specialising in trust and commercial law.

The statements and conclusions contained in this booklet are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.

Cover and text stocks used in this publication are from Forestry Stewardship Council certified mills, manufactured under the environmentally responsible paper manufactured environmental management system ISO 14001, using pulp from well managed forests and other controlled sources.
