

## PRESENTERS

### **June Hardacre, MinterEllisonRuddWatts, Auckland**

June is a senior associate in the employment law team and has broad experience in all aspects of New Zealand employment and data protection laws. She regularly advises clients on challenges faced by businesses with respect to the future of work, including advising clients on how to futureproof its workforce within the framework of our existing laws. June also has a strong interest in the interface between technology, privacy, and employment laws and is involved in the dispute resolution of privacy matters

### **Suzy McMillan, MinterEllisonRuddWatts, Auckland**

Suzy is a general commercial lawyer with particular expertise in privacy and data protection. She regularly advises clients on their compliance obligations under applicable data protection laws, including the Privacy Act 1993 and the EU General Data Protection Regulation. Suzy also provides advice on all commercial related matters including consumer law, IT agreements, and the commercialisation and licensing of intellectual property.

*The statements and conclusions contained in this booklet are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.*

Cover and text stocks used in this publication are from Forestry Stewardship Council certified mills, manufactured under the environmentally responsible paper manufactured environmental management system ISO 14001, using pulp from well managed forests and other controlled sources.
