

## PRESENTERS

### **Richard Chung, Partner, PwC Real Estate, Wellington**

Richard provides specialist property advisory and transaction services to a wide range of corporate, institutional and government clients. He is able to draw on a background in valuation and property consulting, which provides a strong analytical approach to complement his 30 years of market experience. Richard is a Fellow of both the Property Institute of New Zealand and New Zealand Institute of Valuers and has been Wellington based for all his career apart from a stint in New York.

### **Doran Wyatt, Partner, Greenwood Roche, Wellington**

Doran specialises in commercial property matters, including leasing, developments, seismic issues, acquisitions and disposals, and corporate real estate. Before joining Greenwood Roche in 2009, Doran practised in the United Kingdom with leading City and US firms, where he specialised in property development and real estate funds.

*This paper and related presentation has been prepared for NZLS CLE and its members for CPD purposes only. It must not be reproduced or supplied in whole or part to any other party without first obtaining the authors' written consent.*

*To the fullest extent permitted by law, the authors, PwC and Greenwood Roche accept no duty of care to any party in connection with the provision of this paper or presentation and/or any related information or explanation (together, the "Information"). Accordingly, regardless of the form of action, whether in contract, tort (including without limitation, negligence) or otherwise, and to the extent permitted by applicable law, the authors, PwC and Greenwood Roche accept no liability of any kind to any party and disclaim all responsibility for the consequences of any party acting or refraining to act in reliance on the Information or for the use of the Information for any purpose.*

*The authors, PwC and Greenwood Roche have not independently verified the accuracy of any information provided to us and on which they have relied. Accordingly, they express no opinion on the reliability, accuracy, or completeness of the information provided to them and upon which they have relied and accept no responsibility for any errors which that information may contain. The statements and opinions expressed herein have been made in good faith, and on the basis that all information relied upon is true and accurate in all material respects, and not misleading by reason of omission or otherwise. The statements and opinions expressed in this paper or presentation are based on information available as at the date of the paper and related presentation.*

*The statements and conclusions contained in this booklet are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.*
