

PRESENTERS

Georgia Bates, MinterEllisonRuddWatts, Auckland

Georgia is a specialist employment and industrial relations lawyer, who provides front-end advisory, dispute resolution, and advocacy services for a range of public and private sector clients and has extensive experience in-house. She is experienced in assisting parties to manage workplace risk and navigate sensitive employment issues, including: privacy breaches; disciplinary investigations and dismissals; discrimination; bullying and sexual harassment; conflicts of interest; personal grievances; medical incapacity; poor performance; health and safety; restraints of trade; and protection of confidential information.

Suzy McMillan, MinterEllisonRuddWatts, Auckland

Suzy is a general commercial lawyer with particular expertise in privacy and data protection. She regularly advises clients on their compliance obligations under applicable data protection laws, including the Privacy Act 2020 and the EU General Data Protection Regulation. Suzy also provides advice on all commercial related matters including consumer law, IT agreements, and the commercialisation and licensing of intellectual property.
