

## **PRESENTERS**

### **Neil Campbell, Associate Professor of Law, University of Auckland; Barrister, Auckland**

Neil Campbell is an associate professor of law at the University of Auckland, and practises as a barrister from Shortland Chambers. His research on company law and insurance law has been published in leading journals in New Zealand, Australia and England, and he has spoken at numerous academic and professional conferences. He is a co-author of *Morison's Company and Securities Law* (LexisNexis). His practice focuses on commercial and corporate disputes.

### **David Cooper, Bell Gully, Auckland**

David was admitted in 1991 and has a PhD from the University of Cambridge. He is a litigation partner in Bell Gully's Auckland office and specialises in company and securities law. He is co-author of *Company and Securities Law in New Zealand* (Brookers).

*The statements and conclusions contained in this booklet are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.*
