

PRESENTERS

Lucy de Latour, Wynn Williams, Christchurch

Lucy is a partner in the Resource Management and Environmental Law Team. She specialises in resource management, environmental and local government law and is a nationally recognised expert in these fields.

Marianne Mackintosh, Tompkins Wake, Hamilton

Marianne is an environmental and resource management expert. She has over 10 years' practice experience in resource management and environmental law, prior to which she held academic positions at the University of Wales specialising in environmental law and policy.

The statements and conclusions contained in this paper are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.

CONTENTS
