

**Client Name:** John Rothman

**Project / Service Description:** Harvesting & Marketing

**Location of Forest/Project:** Coates Road via Te Kopia Road, Waikite Valley

**Date of Project/Service:** June/July 2013

### What the client had to say:

"I was very pleased with the way PF Olsen understood the whole operation on my block of trees. The contractor operated in a safe and professional manner. There was very little soil damage or damage to the fences and water pipes.

The Waikato Regional Council have made an inspection and are very impressed with the outcome.

I would like to thank Craig Fisher and Ged Terry for their efforts."

John Rothman
