

HG LEACH & COMPANY LIMITED

Eric Souchon has been HG Leach and Company Ltd s managing director since 2004.

PF Olsen Ltd has been managing the HG. Leach forestry assets for the last 15 years. Over this time PF Olsen has managed various operations including establishment of new forest, silvicultural tending, harvesting and processing wind throw insurance claims.

Eric says: *PF Olsen has provided us with an excellent, professional service for many years and has added value to our forestry investment over this time. PF Olsen provide expertise and sound advice, are well organised and it is always a pleasure to deal with their team and they deliver the goods as promised.*

Eric Souchon
