To whom it may concern,

I am pleased to provide this reference for Craig Fisher, Harvest Manager for P.F. Olsen Ltd.

Our relationship with Craig and the PF Olsen team started a couple of years ago when Craig first contacted us about our woodlot on our recently purchased farm at Lake Okareka, Rotorua.

Our farm is located in a "sensitive lakes zone" and the woodlot was situated on predominantly challenging terrain surrounded by grazing farm land and infrastructure, native bush and our home with its extensive grounds.

Craig's professional, enthusiastic and committed approach to maximizing the return from our woodlot and still respecting the unique local environment exceeded our expectations.

Craig and the PF Olsen's team "can do attitude" leads me to having no hesitation in recommending their services.

Please don't hesitate to contact me if I can be of further assistance.

Kind regards

Chris Russell
