Location of Forest/Project: Titoki, Northland
Date of Project/Service: Summer 2013

What the client had to say:

“After the experience we had with PF Olsen harvesting and marketing our trees, I would highly recommend them to anyone in the future.

“With the expertise of our harvest manager, Grant Rowe and the harvest crew Ryan Donnelly of O.D. Cival Logging Limited we achieved a result well above budget and got the best possible price for our logs.

“The whole operation was hassle free and we would use their services again without hesitation.”
