

Letter Writing

You can find out a great deal of information just by asking! If you want to find out more about softball you can write to many organisations, such as NZ Softball. If you are interested in an particular area or province or franchise, you can write to a player, a umpire or perhaps a local club, to help you with a project.

Write to a local person or softball organisation asking them some questions you would like to know the answers to, and give a report on the responses.
