

My New Game

**CREATE A NEW GAME OF SOFTBALL.
DESIGN A GAME FROM YOUR IMAGINATION.**

FIRST

1. Discuss what makes a good game.

DECIDE

1. How many people will participate in your game?
 2. What equipment will you need for your game?
 3. How much space will you need?
 4. Write down the most important rules of your game.
 5. Try out your game. You may need to change some rules to make it better.
 6. Give your game a name.

- 

FINALLY

- Let your classmates have a go at your game.
 - Revisit rules, equipment, space, etc., if needed.
 - Produce an explanation of how your game works so others can play it at any time.
 - Write it into brochure form.
- 

DISCUSSION

1. Compare your game to what others have come up with.
 2. Discuss the good and bad points about your game.
 3. Does your game need an umpire? Why, or why not?
