

## **Junior White Sox : Day 2 - Games 2 & 3**

The Junior White Sox had a mixed day today, with a win against Great Britain and a loss against China.

The Kiwis started off strong in the Great Britain game, moving the ball and producing runs early. Courtney Gettins and Amy Begg shared the pitching and Mikayla Werahiko was the top hitter of the match, sending a couple of hits deep into the outfield. The final score 4-1 in favour of New Zealand.

In their second game of the day, Amy Begg started on the mound against China and did a solid job of holding them down for most of the match. Courtney Gettins came in to relieve Begg late in the game. Unfortunately some defensive lapses and an inability to produce cost the Junior White Sox in the end, falling 3-0 to China.

New Zealand will face Argentina tomorrow at 10.30AM NZT in their only match of the day.
