

Trailers to Suit Every Load can be found at Trailer World

Local couple Paul and Margot Tindall are celebrating 20 years of owning and operating Trailer World in Pukekohe. From small beginnings the business has grown into a leading manufacturer of trailers. Not only locally but countrywide and into the Pacific Islands.

“It is unwise to pay too much, but it is unwise to pay too little. When you pay too much, you lose a little money, that is all. When you pay too little, You sometimes lose everything because the thing you bought was incapable of doing the thing you bought it to do. The common law of business prohibits paying a little and getting a lot, It cannot be done. If you deal with the lowest bidder, It is well to add something for the risk you run. And if you do that, You will have enough to pay for something better”

John Ruskin (1819-1900)

Elocal August Offer.

Order any Premium Single or Tandem axle trailer in August and get a Mounted New Zealand Manufactured Waltex Toolbox valued at \$595.00

Customer Testimonials

“We’ve had a TW trailer since 2010 and it is as great today as the day we received it. These guys provide top quality trailers tailored to your requirements. They’ve even made clothesline posts and a basketball pole to for us. If you want a trailer that will go the distance, MADE IN NZ (even better here in Franklin!!) then this company is the place to go. We highly recommend them.”

- Maureen-Pukekohe

“The tandem trailer I bought from Trailer World 10 years ago is the best thing I have ever bought and it is still going perfectly, although not as shiny as the new line up trailers.”

- Peter Harris

In a market full of import’s, they have stuck fast to the business’ original philosophy. Their emphasis is on providing great value New Zealand manufactured trailers at a fair price, built to last and retain excellent resale value. The showroom is somewhere you can go and view a range of models of trailers for business, farm and lifestyle use. Trade in your old trailer if you have one or if you have a special requirement then benefit from their 20 years of experience in custom building trailers for a variety of industries and uses. They also provide a specialist service and repair workshop for any trailer related repairs, refurbishments or modifications.

“We are authentic New Zealand trailer manufacturers for all aspects of construction, farming and lifestyle. Because of our time in business and our experience we have earned a reputation as experts in trailer leasing, repairs, servicing and parts. Our main focus remains value for money with exceptional service.” Enthuses Paul.

Trailer World are proud members of the Buy New Zealand Made Campaign, the Pukekohe Showroom stocks a range of New Zealand manufactured jockey wheels, aluminium loading ramps and Waltex Storage boxes. They have a great team of experienced staff, some of whom have been with the company for many years and who are more than happy to assist with any trailer related questions.

Community involvement is also important to Paul and Margot and the team at Trailer World. They are long term supporters of the Westpac Rescue Helicopter Trust and they also support a large number of other local businesses and have sponsored many local schools, kindergartens and clubs.

Paul and Margot believe that it is their quality of product and service that has made trailers from Trailer World so popular and any trailer purchased from Trailer World is synonymous with the best there is in the market today.

“Recently we had one of our first customers trade in his nearly 20 year old Trailer World Trailer and was blown away by its value after nearly 20 years continual use. I’d encourage anyone in the market for a trailer to come in and see us first” Sums up Paul. ■
