dermedics Mesowave Premium
SKIN CARE SYSTEM Needle-free Mesotherapy + More

Total Prize Value \$26,745

1000x Delivery of active ingredients

Reactivate your nerves, muscles & rebuild skin strength

- Scalp therapies to stimulate hair growth
- Therapies targeted on scalp skin improvement
- Galvanic desincrustation
- Tripling result's!
- Anti-acne
- Whitening
- Slimming and anti-cellulite
- Detox
- Post-epilation care (with MESO SHR serum)

Mesowave is the safest & easiest advanced technology for beauty therapists

- **2 Min Eye Lift with No Needles!**
- **8 Min Full Microcurrent Face Lift!**
- **Mesotherapy is combining three currents in one treatment.**
- **25 min treatments offering your client's what we traditionally could only perform with multiple machines & hours of time.**

NO downtime! No scabs!

No numbing cream! No risk, only results

Needle-free Mesotherapy uses electroporation and iontophoresis to move serums directly into the deep layers of the skin, without puncturing or harming the skin. This delivers 1000x more serum than topical absorption alone

Return on Investment

Fastest and easiest return on your investment, as no ongoing costs of replacement hand pieces, or flashes!

Once your machine is paid for it is all **PURE PROFIT!**

Be in the chance to **WIN & PROFIT** immediately. Huge return on investment! Treat 80 clients and get \$20,000+ in profit

This is a perfect solution, as even the most junior member of your staff is able to use perform sophisticated, results driven & high income earning treatments

Ability to upgrade with a RF, Cellulology & Cavitation hand pieces for extra services.
